

JA71 Panel Protector Series

Data Sheet

JA71-PP1A
STANDARD

JA71-PP1C
OFFSET

**Protect
Your
Investment**

Description

Help prevent your valuable avionics from accidental damage. The JA71-PPx is a single Dzus fastener plate with a raised handle which, when positioned adjacent to the avionics panel, reduces the chances of broken knobs, cracked screens, etc. Additionally, the JA71-PPx may be used as a palm rest when adjusting controls in a turbulent environment.

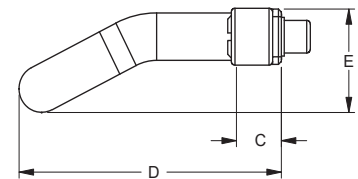

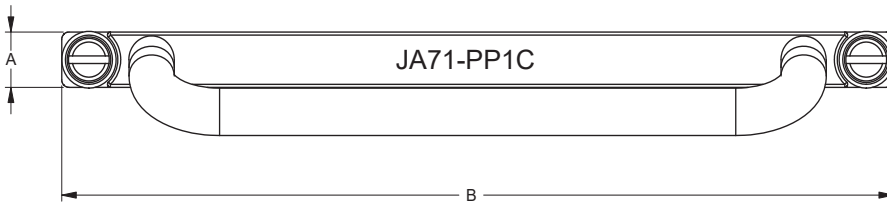

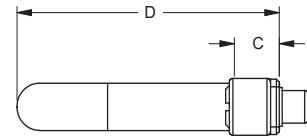

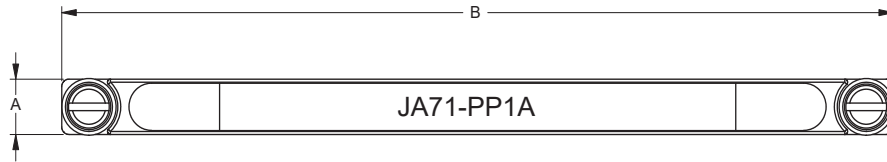

Features

The JA71 is painted with a baked-on flat black (or gray) urethane finish to resist scratches and nicks.

JA71 Panel Protector Specifications

Installation
