

JA71-TRxxx Tray Mount Blanking Plates Data Sheet

Description

The JA71-TRxxx Panel Mount Blanking Plate (Radio Cover Plate) allows the aircraft owner / operator to remove a piece of radio equipment from the cockpit and fill the void with a compatible sized cover plate. The matching design and color to existing control heads present a professional look and feel to the instrument panel for customers.

Contact JAC for Available Heights or a Custom Height.

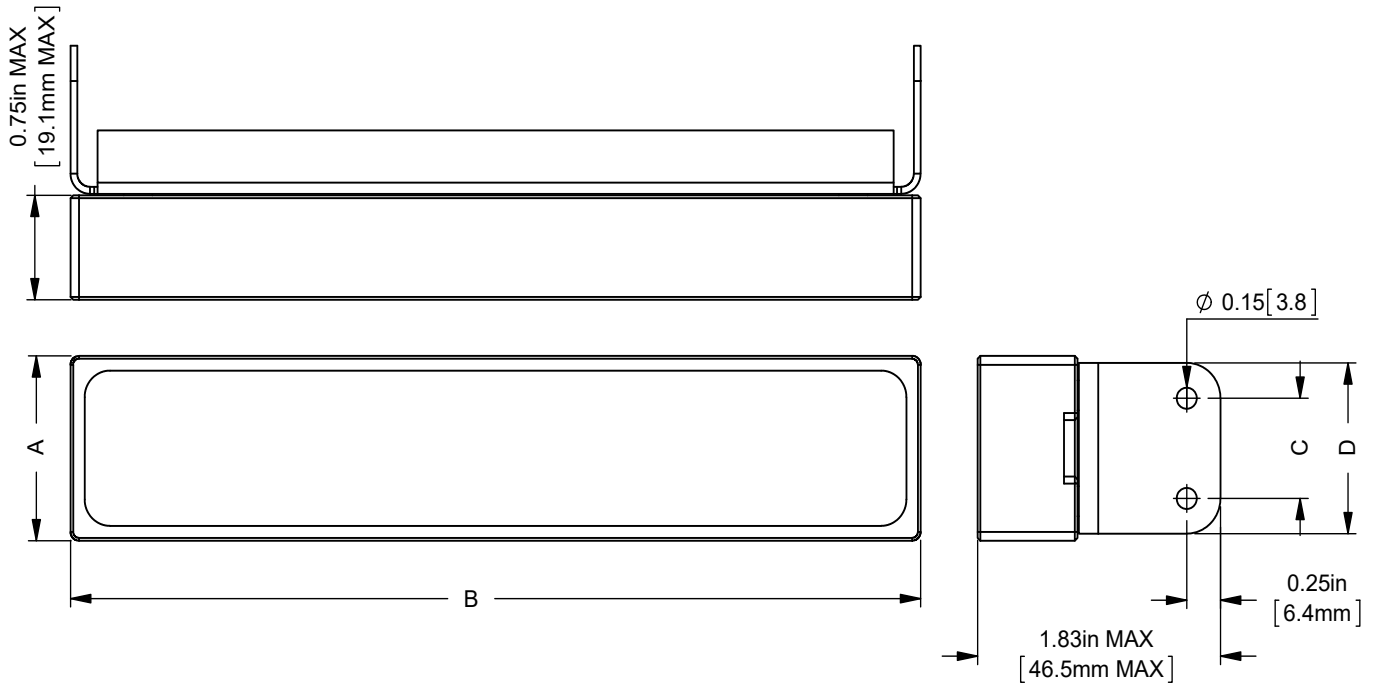

Features

The JA71-TRxxx series are solid aluminum components with a baked-on flat black (or gray) urethane finish to resist scratches and nicks.

JA71-TRxxx
